

24/7 MINISTRIES VOLLEYBALL TOURNAMENT AND PIZZA PARTY

It's amazing to see God grow this event each year. Four years ago we had 6 teams participate and last year 19 teams volleyed it out. Praise God! Will Tulsa Bible Church make it five in a row? The competition should be intense as they go up against other Awana club volleyball teams from around the Midwest. This will definitely bring some excitement to the beginning of what will be a fantastic weekend of food, fellowship and competition. The tournament will start at 6pm with all you can eat pizza, followed by the co-ed volleyball tournament. The cost for pizza and drink is \$5.00/person and \$50.00/volleyball team. If you want to eat or not eat, play or not play, it doesn't matter, just come on out and enjoy the students from around the Midwest. Please go to www.awanaksmo.org for more information.
